CONFESSION

“What mean ye, that ye use this proverb concerning the land of Israel, saying the fathers have eaten sour grapes, and the children’s teeth are set on edge. As I live, saith the Lord God, ye shall not have occasion any more to use this proverb in Israel”. Ezekiel 18 v 2,3.

EXHORTATION

- The family institution was not started by man but by God himself. It was God’s own idea completely.
- It is the foundation of everything; the church, the society, civilization, human government.
- The family is the building block of civilization and society.
- A church within a church, an empire within an empire A world within a world.
- If things go RIGHT in the family, they go right everywhere.
- If things go WRONG in the family they go wrong everywhere.
- The family is like a book, where the children are pages and parents are the cover.
- Due to the significant role the family plays in shaping human virtues and the world at large, the devil is hell bent to fighting against successful families.
- I want you to note that in the satanic kingdom, there is a special department with the mandate:
 - To destroy good marriages
 - To scatter families
 - To pollute the joy in families
 - To cage families
 - To cause problems between joyful husbands and wives
 - To allow in-laws to wound families and make the women especially miserable.
 - To suddenly afflict children who are potential stars.

I pray concerning all the “troublers” of your family that our God will trouble them in Jesus name.

CASES

1. A white lady inside the plane refused to eat. The person sitting by her asked if she was fasting and she said yes. He further asked if she is a Christian, to which she said no. Who are you then? “A witch” she answered. Why are you fasting? To destroy families.
2. Sometimes ago, in South Africa, some witches went on 201 days fasting to destroy Christian homes.

I pray that all the witches and occultists gathered together to destroy your family shall die in Jesus name.

- Unfortunately, nobody has a choice in the kind of family he/she will like to be born into; I am sure many would have wished to be born elsewhere.

- Since you have found yourself in your family or where you married into, then you must get ready to pray hard.
